

**MSA \$12.50 TRAINING  
ASPHALT OVERLAY INSPECTION TECHNIQUES  
AND PROJECT ADMINISTRATION  
MARCH 23, 2010**

**Class Location:  
City of Garden Grove Municipal Service Center  
13802 Newhope  
Garden Grove, Ca. 92843**

**CLASS SIZE LIMITED TO 50 STUDENTS**

**Registration Deadline Date: March 18, 2010**

The City of Garden Grove Streets Division has a long history of successfully bringing overlay projects in "on time" and "on budget." This isn't by accident or good fortune. It is accomplished through years of creating fail-safe checklists and establishing an inspection protocol that is "real world." Garden Grove will be sharing why and how we **inspect** as opposed to merely **expecting** our contractors' compliance with the project specifications, quality control, and bottom line costs. This class defines and illustrates the steps necessary for project success. It is not an overview. It is a detailed presentation.

Class attendees will receive Garden Grove's detailed checklists, protocols and technical specifications as handouts. The class will be two hours of classroom and then they will go out and see first-hand, an actual asphalt overlay project in progress for the final two hours of the class. **Please bring hardhats and safety vests for the field portion of the class.**

The course is open to any Public Works employee; from the frontline field personnel to resident engineer, all are welcome. Garden Grove has a system that works and we want to share it all with you.

The class will be held on **Tuesday, March 23, 2010 from 7:30 a.m. to 12:00 p.m.** Cost is \$12.50 and will include a continental breakfast.

***Class attendance is strictly by prior registration only!***

You may register by email to [carolynm@garden-grove.org](mailto:carolynm@garden-grove.org) or by calling Carolyn Melanson or Emily Trimble at (714) 741-5375

Walk-ins NOT accepted

"Student's enrolling in this class shall be responsible to pay the class fee if they enroll for the class and fail to attend. MSA will send an invoice for payment if the student fails to remove their name from the enrollment list by the final enrollment date and then fails to attend the class."
